Golden Cosmos

Noemi Schneider

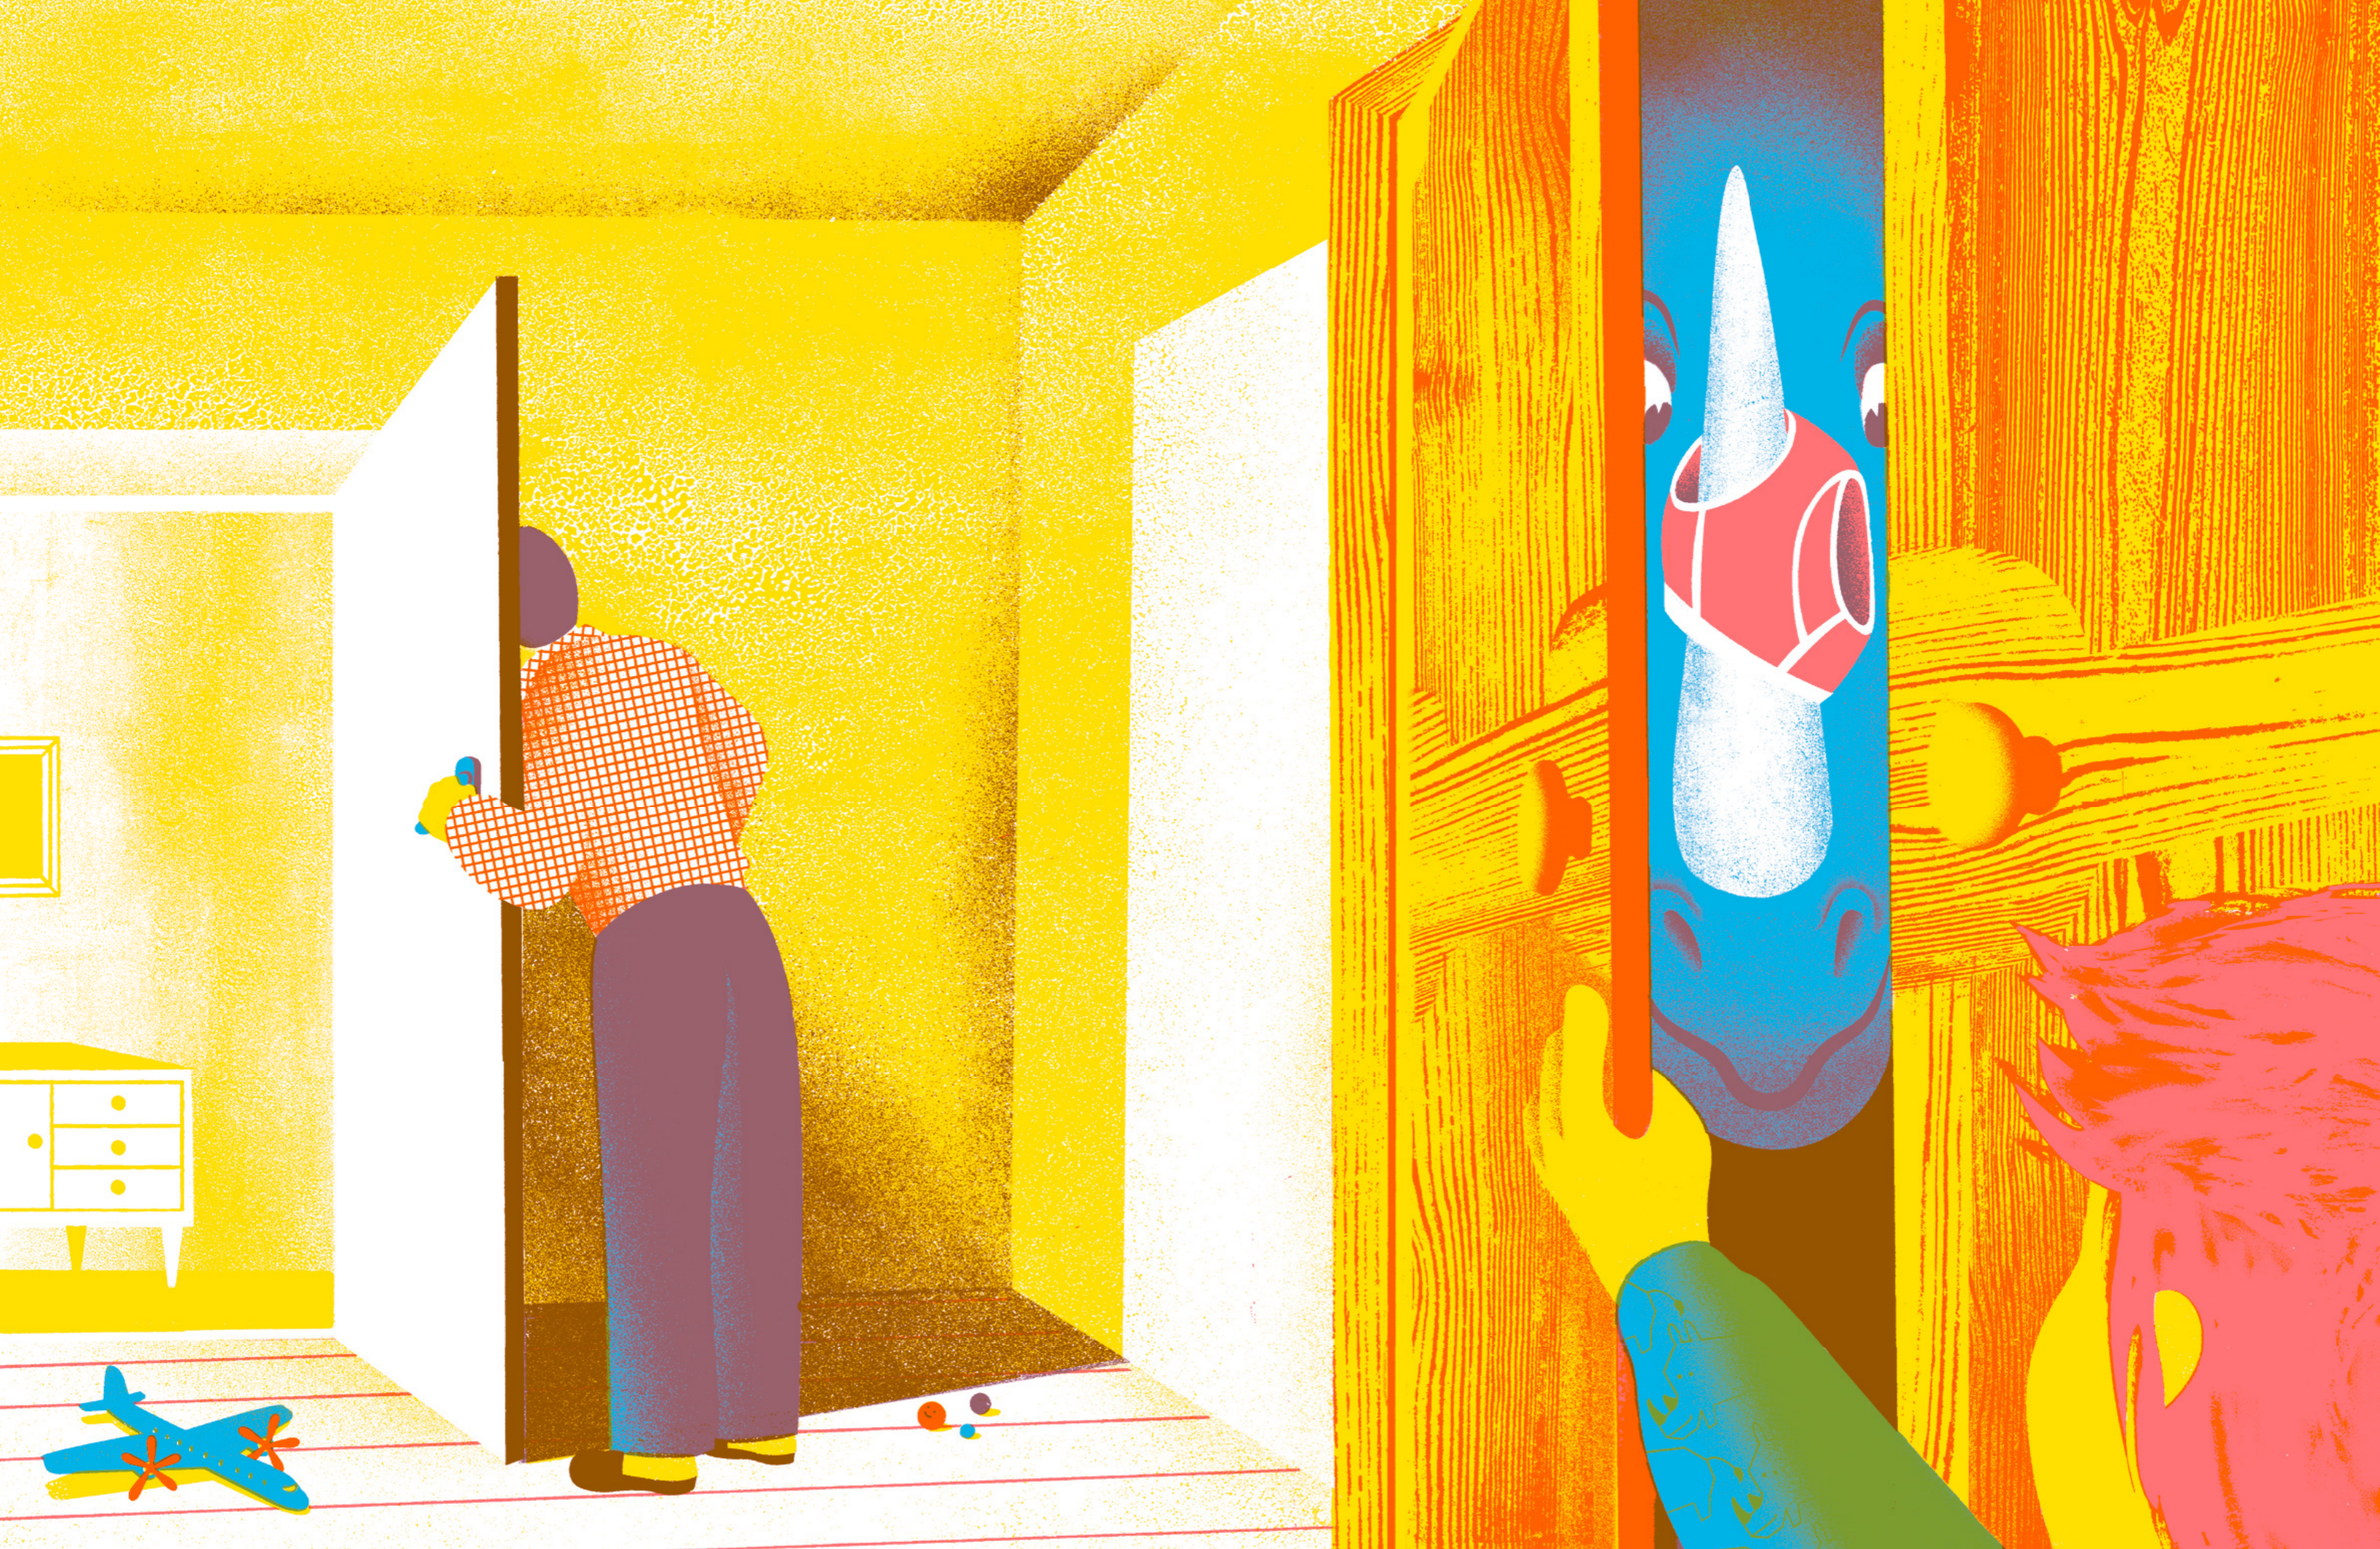

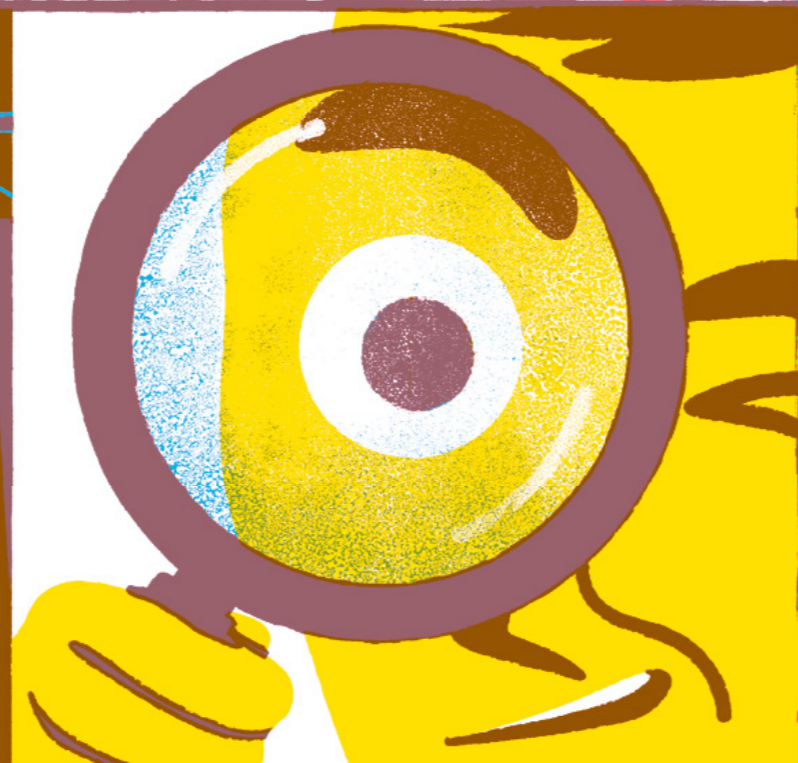

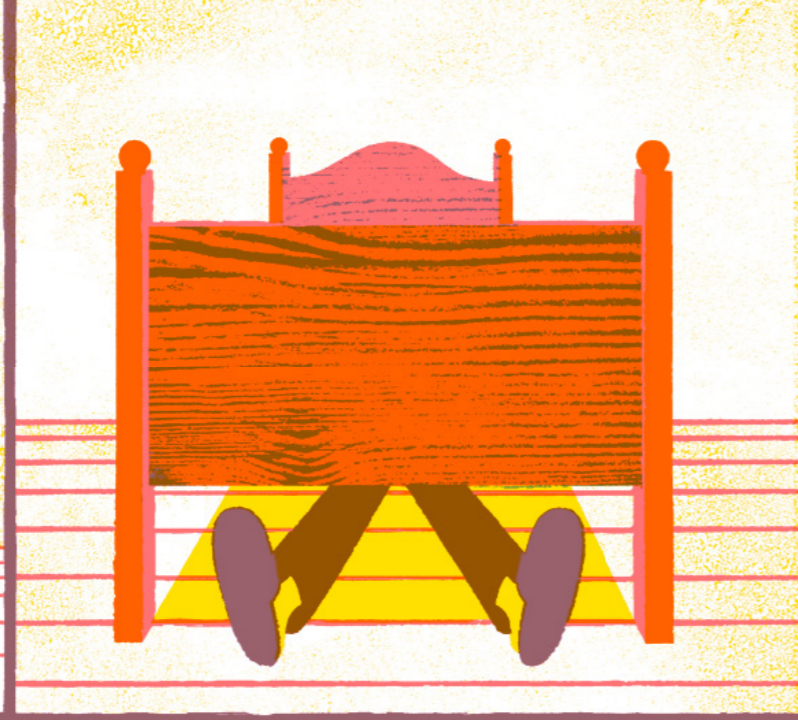

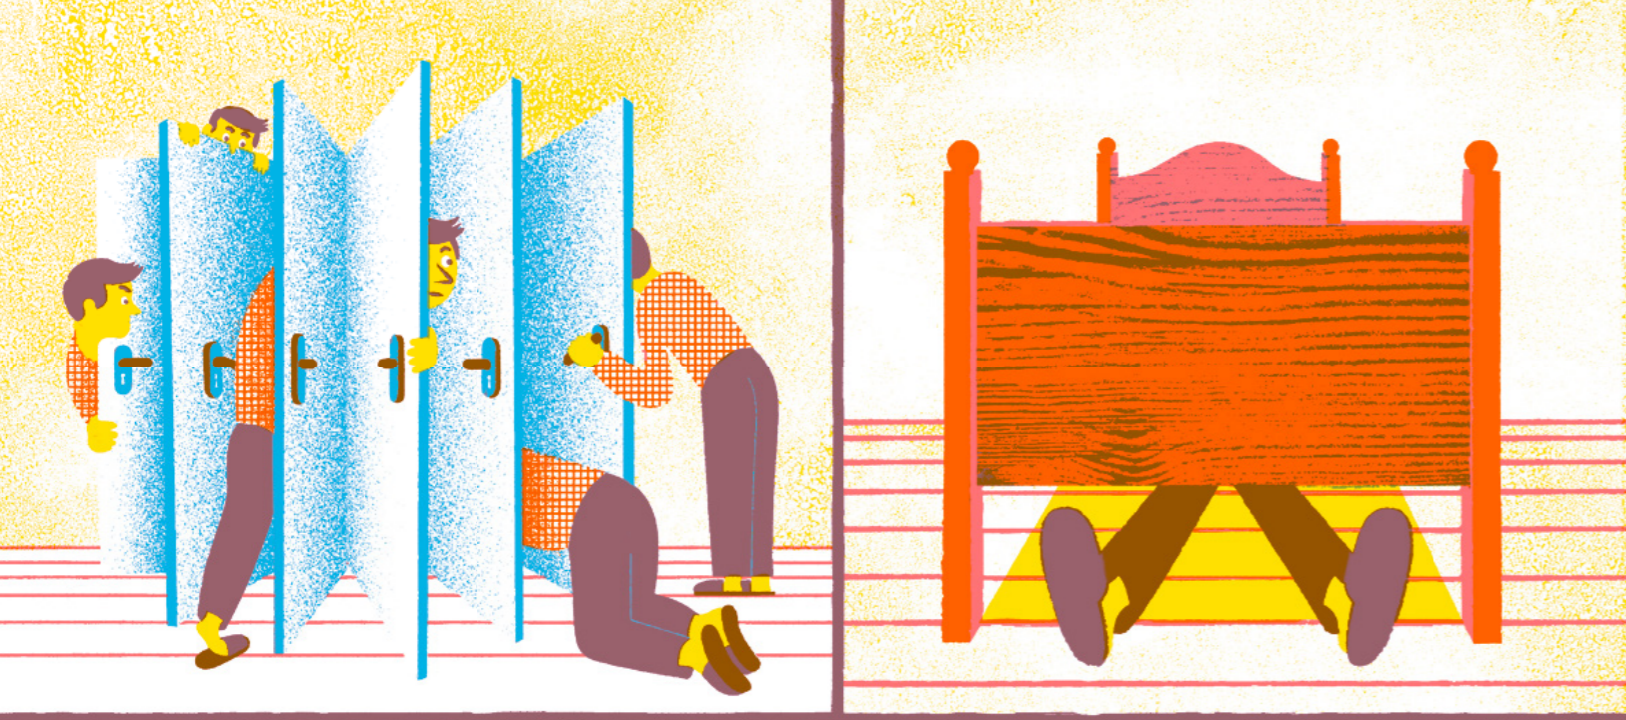

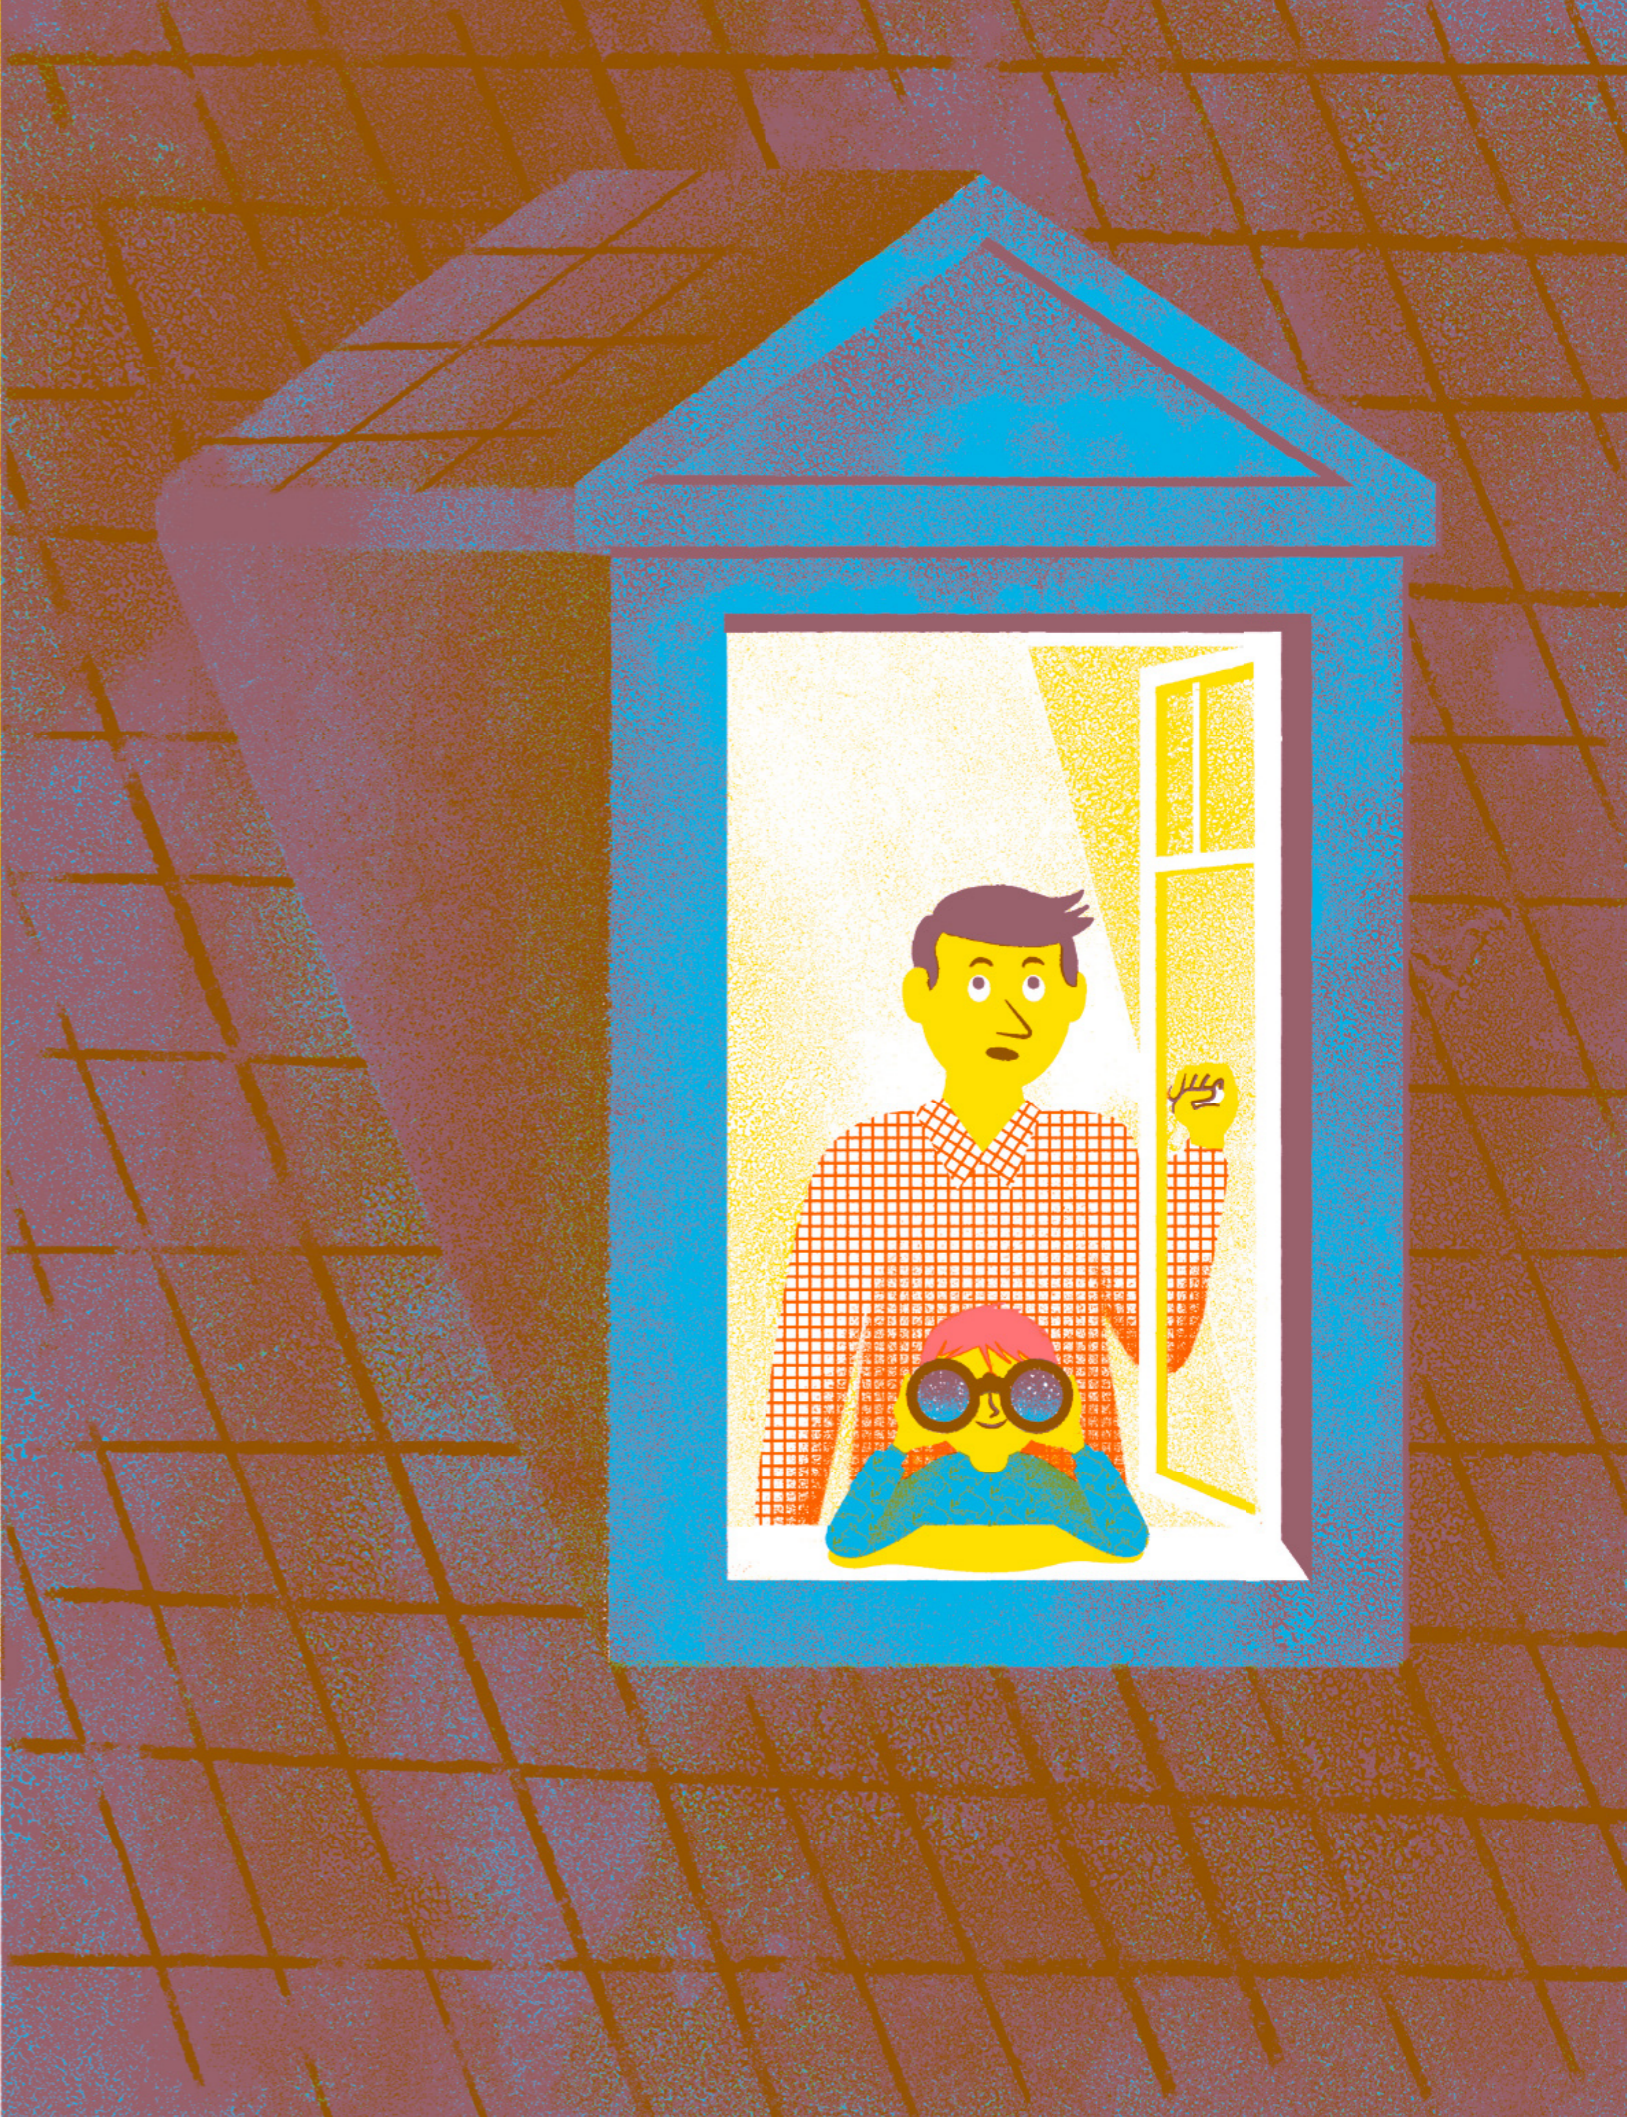

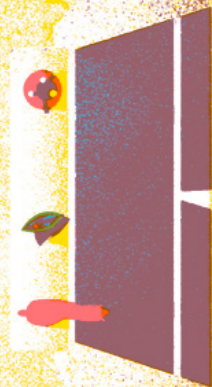

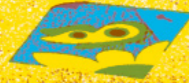

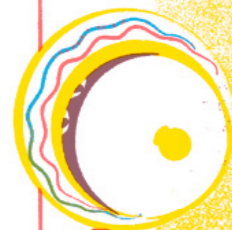

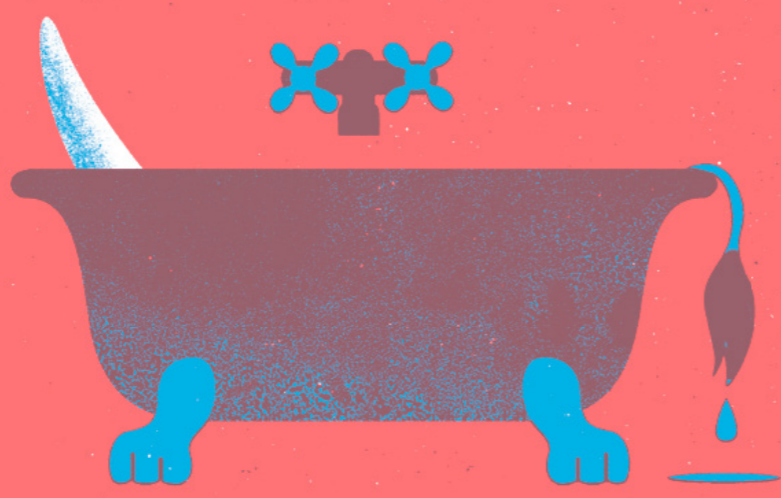

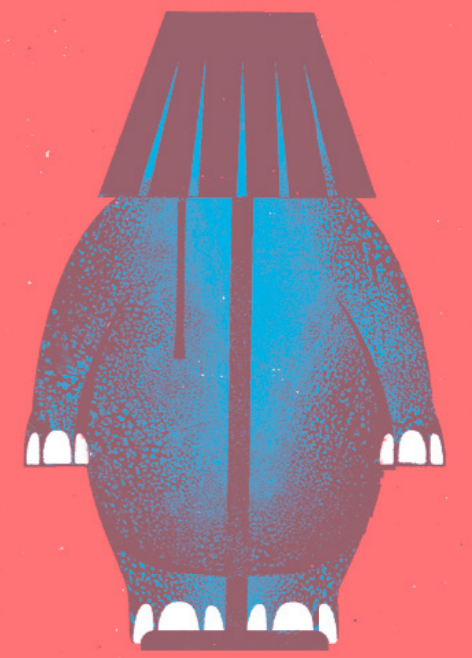

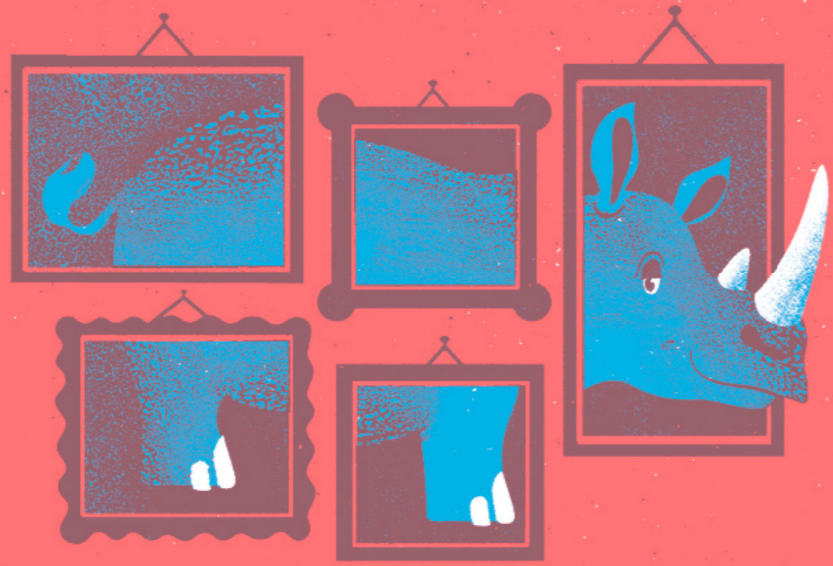

»Eine Steilvorlage für Kinder,
die so rasch nicht klein beigegeben,
wenn Erwachsene die Logik
für sich beanspruchen.«

HANS TEN DOORNKAAT, NZZ AM SONNTAG

Ausgezeichnet mit dem
LUCHS-Preis von DIE ZEIT
und Radio Bremen

*Ludwig behauptet, es sei ein Nashorn
in seinem Zimmer. Sein Vater sucht
in jeder Ecke, doch er kann kein
Nashorn finden. Ludwig zeigt ihm,
dass etwas da sein kann, auch wenn
man es nicht sieht.*

*Eine philosophische Gute-Nacht-
Geschichte*
